Capital Projects and Services for Facilities We understand that capital projects are meant to serve as a long-term solution for your facilities to not only increase the efficiency of your facilities, but to also improve customer experience.

### **Capital Projects and Services for Facilities| Facility ...**

As mentioned earlier, capital campaigns are designed to raise money for a particular venture, but they also require the spending of funds. Before you launch your campaign, make sure that you have a designated budget set aside for fundraising costs and other expenses. Potential costs could include: Fundraising events. Depending on the type of event, you might need to pay for or rent certain services.
