I have had my Samsung Gusto 2 telephone for about 3-4 years, which is far from the term "old." I have had no issues whatsoever. - On a full battery, it would last for nearly 4 days straight. - It would take nearly 2-3 hours to charge. - On appearance of the "low battery" warning, it would still last for about 3 hours before powering off.

Yesterday I bought a Samsung Gusto 2 prepaid phone from Walmart for my father to use. It worked quite well at first, as I had to talk to a customer service rep for an extended period of time during the activation process. We had no problems hearing each other whatsoever. I activated the phone and then handed it off for my father to use.
